the dark show

15th – 17th January

St Mary-at-the-Quay, Key Street, Ipswich

Fri - 5pm to 9pm, reception at 7:30pm

Sat - 5pm to 9pm,

Sun - 4pm to 6pm, talk at 4pm

The setting is the mediaeval St-Mary-at-the-Quay Church, in the heart of Ipswich's historic dock area, where the creations of the Curiosity Collective will be at play after dark.

Using a mixture of sound and light, our technological curiosities will delight, surprise and perhaps confound.

We anticipate it being pretty cold, so please wrap up warm.
